“ *Danny, Kathy, Susie & John and families: . It is with sadness that we hear of the passing of your dad. It's happening all to often that another "old timer" is leaving us. he takes with him knowledge that used common sense and stories that the younger generation would never believe. It is an honor to know him, he is with your mom now, and smiling on down. Take care*

“ *Dear John, Dan, Kathy, and Sue, I am so sorry to lose my kid brother. He was always so special. Even though I have not seen or talk to him much lately, he has always been in my thoughts and prayers. I'm sorry that we could not get up there; I just haven't been feeling that great. He will always be my kid brother who use to love to tease me when we were kids. I love you, God bless you all. Love, Auntie Ann*

“ We were saddened today to see WAVES pull in. We will miss your Dad's bright smile and wave. We always knew he was there and was always ready to smile and wave to the girls. I will miss those Summer like days that we waited together for the school bus to arrive. If there is anything we can do for you and the family please do not hesitate to call. Merlin will miss him for sure.
