“ So many family get togethers with Joy , kids and guitar in tow! She truly was loved as sister and daughter not as in-law and that never changed.

“ My first memory of Aunt Joy includes Fresca soda; she was never without one throughout the warm summer days and she was sure they were the secret to her super skinny figure! I hated the taste but drank them because I wanted to look like her, long hair and skinny! I will miss our chats and her wicked sense of humor. She lived life on her terms and was a friend to so many interesting people. Love you always Aunt Joyanne.
