“ Exactly 2 weeks before Judy's death, she helped me with some necessary banking. I always asked for her because of her banking knowledge and magnetic personality. She made me feel as though I was the most important customer Geddes bank had at that moment. We exchanged little stories about our grandchildren and discussed the upcoming Thanksgiving holiday. I felt a loss upon reading of her obituary, even though we only had a sporadic business relationship. Her loss will be felt by many and my deepest condolences to her family.

“ Chuck & Matt I am not quite sure if you remember me. I am Patty Ellis' (John) daughter. I am so sorry to hear of Judy's passing. I have the fondest memories of her. I know she was close with my mom. My prayers are with both of you at this time. I thought I saw your face today, in the sparkle of the morning sun. And then I heard the angel say, "Their work on earth is done." I thought I heard your voice today, then laugh your hearty laugh. And then I heard the angel say, "There's peace dear one at last." I thought I felt your touch today, in the breeze that rustled by. And then I heard the angel say, "The spirit never dies." I thought I saw my broken heart, in the crescent of the moon. And then I heard the angel say, "The Lord is coming soon." I thought that you had left me, for the stars so far above. And then I heard the angel say, "They left you with their love." I thought that I would miss you so, and never find my way. And then I heard the angel say, "They're with you every day." "The sun, the wind, the moon, the stars, will forever be around, reminding you of the love you shared, and the peace they've finally found."

“ We are shocked and dismayed to learn of Judy's passing. For many years, whenever we needed assistance at Geddes Bank, Judy was more than willing to help, so gracious, and patient with our every inquiry. A finer person is difficult to imagine. Our heartfelt sympathy and condolences are extended to her family, coworkers, and friends.
