“ I will always remember Aunt June so gentle and friendly, with her big smile and her contagious laughter during our family get togethers for Christmas eve and my Grandmother Kantak's house while I was young. She was always so sweet.

“ I have know June for a number of years as a customer. Her sense-of-humor was something unique and very special. I will miss her smile and quick mind. I am relieved to know that she is in a more peaceful place, and free of the health burdens of her later years. My deepest sympathies to all of her family. P. Dean
