“ To the family and friends of Karen Jones, I wanted to express my extreme sympathy to you. It's always hard losing a loved one, but I can't imagine what you are going through in this situation. I wanted to say to Steve and Don that I commend you both for what you are doing for Karen's children. In this world today, it is very rare to find men like you. Thank You.

“ Although I never met Karen face to face I have to say i miss her in my own way, she would brighten my day with comments and emails. I don't know how she felt about me but I know I thought of her as a good person and friend. She told me once that even though it was sometimes tough being a mom she wouldn't trade it for the world. RIP Princess..i will miss you.

“ *To the children and family of Karen Jones, Words don't seem to be able to convey the emotion in a situation like thie. Karen was a colleague and a friend. She was a rebel and passionate about life. She was a hardworker and a devoted mother. She adored all of her children and loved to talk about them at work. She touched the heart of all those she cared for and she will be greatly missed. Please know she was loved. Keep her in your heart always.*

“ Karen, Daphne and I are so sorry we are 1200 miles away and can not be there as you are being laid to rest. Daphne has asked me to find the words to express at this time. By nature, no one thinks about such a hideous crime striking their loved ones. But here we sit watching you depart this evil world as reality slaps us in the face. Our dear Lord tells us that he will not put on us more than we can bare, but we all wish in retrospect that he didnt have such a high tolerance for what we can bare. Your smiles and laughter and the warmth of your heart will remain with us forever and you will forever be alive in our hearts. I believe that you will watch over your children from above and give them smiles and warmth when they need it the most. As for the rest of us, the jokester that you are, you just move things around and mess with us to show you are still there. May the Grace of God deliver you to reign with the Saints of the most high and forever in peace in the land of heaven. With all my love, Marty

“ To Karens children and her family. My heart goes out to each and everyone of you. Our thoughts and prayers are with you. Words, however kind, can't mend your heartache: but those who care and share your loss wish you comfort and peace of mind. May you find strength in the love of family and in the warm embrace of friends.

“ Our hearts sank when we heard of this awful tragedy. It makes me breathless to try and comprehend that this has happened. I still cannot understand why we lose such beautiful and kind people. Karen's smile and wonderful personality will forever live in our memories. Although some time has passed since we have been in touch the lasting impression of a caring and loving individual will always remain. Words can never express the sorrow and sympathy that we feel for her children and her family at this time. May you find peace and comfort in the many prayers that surround you. “ God Bless the entire family. This is a terrible tragedy and a great loss. Please be strong for those sweet children. Let them know that their mother will ALWAYS be with them... in their hearts and souls. Do not stand at my grave and weep, I am not there, I do not sleep. I am a thousand winds that blow. I am the diamond glint on snow. I am the sunlight on ripened grain. I am the gentle autumn rain. When you wake in the morning hush, I am the swift, uplifting rush Of quiet birds in circling flight. I am the soft starlight at night. Do not stand at my grave and weep. I am not there, I do not sleep. Do not stand at my grave and cry. I am not there, I did not die!

“ My eyes filled up with tears as I heard the news It never occurred to me, how much I could lose I find myself wishing that it wasn't real Every time I think about it, pain is all I can feel Tears fall from my eyes, I can barely see But my heart tells me that she'll always be with me I'm glad she feels no pain for now she lives in a perfect land And I will love and miss her forever Until the day we are again together. Together in that perfect place above! But until that day comes- I will wipe my tears away. Karen not only were you my cousin, but you were my best friend, someone who was always there when I needed to laugh or cry.. Many times shared together many memories that will last forever you will always remain in my heart I love you and I miss you!
