“ I am so sorry for your loss. One thing that helped my family and me when we lost a loved one was finding out that when Jesus was on the earth he likened death to sleep. (John 11:11-14; 43,44) So when we lose someone we can think of them as resting peacefully and no longer in pain. That thought helped us so I hope it brings comfort to your family during this difficult time. With sincere sympathy,

“ Bill and family - I am so sorry that Karin is gone - I hope that the good memories will give you comfort. Karin left an indelible imprint on my heart - through her friendship, her laughter, her sense of humor, and I will never forget the good times that we have shared and the way she touched my life with her lively spirit. What a beautiful soul! Much love, Claire

“ Bill & Family: Do not cry, she's only away, gone to heaven forever to stay. She left her earthly life one sunny day when angels took her away. She now lives in the land of heavenly bliss, plays in fluffy clouds and golden mist. She flies down the milkey way on gossimer wings, listens to an angel choir as they sing. Karin is at peace now, and lives with our Lord. There she'll dwell forever more. Some day we'll be together again, when I meet her in heaven at my life's end, - until then, SHE'S JUST AWAY. Please know that my thoughts are with you at this difficult time.

“ *Becky and I are very sorry on the passing of Karin. I will always remember Karin's smile when we used to discuss the best banking deal we could agree to. She always used to critique my suits etc to make sure I looked like the professional banker. I also remember the time I brought in the 21 pound carp to the store in Owasco, and we all wondered what we should do with the fish. Sincerely, John & Becky*
