“ Rocco, I am so sorry to read of Kathy's untimely death. When did we meet first? Police Olympics, Special Olympics? Don't know for sure, but I always saw her around Syracuse when I would go out to volunteer. It was like a ritual! This Fall, a friend took me to a Crunch Game. I looked for Kathy in her usual location, but she wasn't there. I then read the Newsletter and learned of her hospitalizations & surgeries. I emailed Feel Better/Get Well wishes to her from my brother & myself, and had thought of her many times since then. We only knew Kathy from the various community activities she was involved in. She was a great person, she has certainly made a difference in many lives and will be missed forever! Our deepest condolences to all of Kathy's family and friends!
