“ To Keitha's family: Please know that I share in the loss of Keitha and extend my heartfelt condolences to each of you. I would also want you to consider this a thank you note to Keitha for all the many times throughout the many years that Keitha and I shared heartbreak, understanding and laughter. Keitha to me was not just family, she was my dearest friend and sustained me emotionally during our young years. She will remain alive in my heart and memory forever.
