“ Kay, Both Ruth and I spent time working for Jack at Carrier. In fact, he hired both of us and was probably responsible for our getting married. We'll never forget him. He was a great mentor and friend. We enjoyed our visits when we came to Florida and will look forward to visiting you as well and reminiscing about old times. Love, Bob and Ruth

“ Kay - Forbes and I send our deepest condolences on Jack's death. Golf is out of the picture now but I remember all the good times we had with the nine-hole OGCC group. When you come up to visit your son, give us a shout. We'd love to see you again. If you have an email address, let us know that. Sally
