“ David and Elizabeth our thoughts are with you at this difficult time. HOw comforting to know Lauri is watching over both of you each day. We knew Lauri as a little girl who had that same wonderful smile on her face most of the time as we saw in her obituary. May her life be filled with happiness. Jean Antil

“ David and Elizabeth, please know that my entire family feels your pain because we too lost a loved one when our sweet six year old niece, Shannon, died in February of this very same disease. I wish we could have known Laurie better, but we know that Shannon welcomed her home with a big smile and open arms. Your Robinson family will always be there for you.
