“ Larry, I came across your father's obit coincidentally today, 1-8-2011. My brother Guy, and parents, Fred and Dorothy Elliot used to ride at the stables. Dad and your father were in the cavalry unit at Troop K farm together. We used to ride on Friday evenings at 6:30 except for the few times that our group had lessons in the lower ring and our dads made us ride in formation:-) I have such fond memories of you and your father and the time spent at Gillie Brook Farm. Those times were some of the happiest I ever had. My mother is with your folks in heaven and Dad is ready to join them but still hanging in here with us. He doesn't ride horses any more but plays a mean game of bingo. He just celebrated his 90th birthday. I am sorry for your loss and wish I had known to send this message at the time of your dad's death. Fondly, Mary Anne Elliot

“ My deep sympathy to all the Halloran's at the passing on of your Dad. I have wonderful memories of him and recall my own father's friendship with Larry as the two of them ushered at the 7AM Mass at St. Joseph's each Sunday morning for many years. The two of them were farmers through and through and had great stories to share. You will all be remembered in my thoughts and prayers. God Bless you all.
