“ Jerry, Chris and Family, I just heard that your Mom has passed and I wanted you to know how sorry I am that I didn't know in time to make the wake. My thoughts have been with you and your Mom since I heard of her illness. I truly understand how difficult this must have been for all of you. She is no longer suffering and is at peace!

“ To all of Linda's family, we offer our prayers at this time of loss. Linda served us at Howlett Hill Presbyterian Church in many ways and, although she was not worshipping with us for a while, we will miss her presence and her service.

“ Dear Cousins, I was so sorry to hear Aunt Linda had passed. My fondest memories will always be her making us tunafish and hard boiled egg sandwiches as little kids and playing in the stream on Fort Ave. She was the best!! Sorry we haven't been able to keep in touch, I want you to know you are in my prayers at this sad time.

“ Jill and family, I am so so saddened by the passing of your mother. She was a wonderful woman, so helpful and kind to all the residents at the Villa. Jill, my heart aches for you! Not sure if you remember me but I am MAS' daughter, you worked with her and then she lived at the Villa with your grandma. You will be in my prayers! My mom is a VanDuyn now. big hugs! Priscilla

“ Scott, Andy, Jill and Jerry, I wanted to let you know how sorry I am for your loss. I was pretty young when we lived across from each other, but I do remember how nice she was and hearing her laugh. I remember she and Abe used to come over and play pinnacle with my parents. There were lots of fun times and she will be missed.

“ Scott, Andy, Jerry and Jill (and Abe, too) - I can't tell you how sorry I am to hear of the loss of your mom. She was such a vibrant, good-natured, happy person and a great person to go to if you had any problems or just sit and chat about anything at all. She was very compassionate and understanding. Geez, we sure had some crazy, fun times growing up, didn't we? Some of my best memories are when we all piled in the car and went to Green Lakes. I can see your mom laughing right now - just sitting on the beach with her legs straight out in front of her and laughing. She always had a smile. I can remember laughing so hard with her our mascara ran from the tears. I can't imagine what you must be feeling right now, but please know that I care about you and you have my deepest sympathy. Remember the good times and that great big smile of hers and she'll be with you forever in your heart. Peace, Love and Kindness, Jackie :)

“ Linda and I met in 1950 when we became neighbors and friends. It was a along time ago and yet it feels like yesterday. She was one of the three musketeer through out our high school years. When there was trouble they looked to one of us. If we were absent they came a calling looking for us. We shared many laughs and crazy stints at a time when life was free of cares. The miles and the times seperated us physically, but the memories still remain. May her children and grandchildren share those wonderful memories of her for as long as I have. You are in my thoughts and prayers tho we have never met. I am truely sorry for your lost.

“ I'm not sure that you kids will remember us but we certainly remember all of you. We were neighbors (across the street) from you on Howlett Hill Rd. Your mother was such a lovely lady and a great neighbor. I only wish there was something I could say that would take away your pain but I know there isn't so just know that we are thinking of you (as we often have over these years). May God always keep His arms around you . Jerry and Lynne Northrup

“ Jerry, Chrisy, Billy and the entire Campbell family, I am truly saddened by the loss of Linda. She was such a pleasant, wonderful woman, who deeply loved her family. When we all got together, she was so easy to talk to and always loved to laugh. Linda is now at peace and has joined Herb in heaven, for their eternal life together. My deepest thoughts of sympathy and prayers are with everyone.
