“ I'm sorry these condolence wishes are so belated. I just find out about Linda's passing from another Kemper alumni who sent me a birthday card. We were out of town the first week in November. Linda and I worked together for about 19 years at Kemper and we spent a lot of free time together socializing for awhile. She gave great get togethers and was the perfect hostess and impeccable domestic diva, you could probably eat off her floors. She was one proud mama to her son, Alex. She lived in the moment and made every one of her moments of life count. She will be missed by many. Our sincerely sympathy, Mary (Devereaux) Redmond & Dan Redmond East Syracuse, NY

“ It was sad to learn of Linda's passing and I would like to offer my prayers and condolences to; Alex, Alan, Francine, Maxine and Donna. Linda was a great person with a tender heart. It didn't matter if you saw her every week or every ten years, she was always warm and fun loving. She will be missed, but always remembered as a kind soul who always greeted with a beautiful smile and parted with a friendly kiss. A good old Warner's friend. May God Bless her.
