“ Working with Lois in the Admissions Office was a big part of my time at SU. I remember one time when we created a new employee Esther Lou (based on our middle names) and had counselors assign work to her instead of us. We had a big laugh when we were found out! She was a great colleague and friend. May your memories give you comfort at this time. I know mine do! RIP Lois

“ *Barbara and Family,
I am so sorry for your loss. Losing a Mother/Grandmother/Great
Grandmother leaves a void that only cherished memories can
soothe. Please know I am thinking of you and send loving thoughts
your way.
