“ To Louise's Family I'm so sorry to hear about your Mom. She was a great person. I was very fortunate to have Louise as my secretary at LHS's House IV. She always made me look good as the House IV principal. She was a very charming and considerate person always putting students and staff first and foremost. I'm sorry that I can't be with you to celebrate her life, but know that you are in my prayers. God Bless
