“ I am so sorry for the loss your family is suffering. I met Lynn at James Square when my father was being admitted there. Her sister-in-law, my co-worker,Denise M told me to talk to her. She was such a wonderful person to talk with as we went through that hard time with our father. She was so understanding and patient with us, I felt so blessed that she was placed in our path. May God's arms be around you all as you grieve. I know she will be missed but not as much as by all of you.
