“ Madeline’s passing was one that really shook me. She and I had a lot of great talks and laughs. She was always so kind to me. I enjoyed our friendship dearly. I always made note of how lovingly she talked about “ her boys”. They were her everything. I will forever miss our talks and getting her infamous bunt cakes. She will be impossible to forget. RIP Madeline. I pray her boys will find peace knowing that they were what drove her to keep going.

“ *I am so sad to be seeing this. Madeline was such a beautiful person inside and out. She was the kindest person and always lifted everyone’s spirits. She always talked about her children and always asked about mine. Rest in peace my friend. Brook Whitham*
