“ We have so many wonderful memories of Trixie. She always treated the neighborhood kids like they were her own. We always felt welcome when we came to the house, and to the camp. We will always remember her pot roast dinners and playing "blow it" at the kitchen table. We will miss her.

“ I don't know where to start! You where always there for me Grandma, from taking me for a weekend when I was little, comforting me through my parents divorce, helping me get to and from my first job, helping to furnish my first apartment, to letting me stay in your basement when I had nothing. I'm so glad you made it to my wedding and seeing my daughter. I know your in a better place now though, tell Grandpa I love him and miss him and I'll miss you too.

“ My heart is feeling broken. Aunt Trixie was such a wonderful aunt to me and my family. She and uncle Dale always made time for us , were happy to see us, always told us they were proud of us and loved us all. We felt it every time we saw them. What a wonderful gift to us. I have many wonderful childhood memories at her house and at the camp. I am grateful for our girl trips to visit aunt Connie ,Aunt Dorothy and family. We had so much fun and lots of laughter. She will be greatly missed. Rest In Peace my sweet Aunt. Please give dad a hug and kiss from us.
