“ *Dave and Marilyn, We think of you often and are saddened to hear of the passing of your Mom. I remember your family well from so long ago, and I remember your Mom as calm, but strong and loving, a perfect compliment for your Dad, who was a role model with intelligence, integrity and understanding. Though it was long ago, distance and time cannot diminish the respect and fondness I had for them as the parents of true friends of my youth. I understand your grief, but I know that you will cherish the joyful memories of her life. Ken and Jeanne Bowles*

“ Dear Dave and Marilyn, It has been over 45 years since I left the Valley, and just over 30 since your Dad helped me bury my Dad in Fulton. I have thought of you many times and wondered how your Mom was doing. She is now at peace and has been rejoined with those who have gone before. Certainly many of the events and people we knew at Valley Pres., Valley Academy, and in Troop 8 defined the individuals that we have become. Your folks were part of my growing up. My sincere condolences on your loss. Carl B.
