“ *For the family of Mary Meinhold, My deepest sympathy on the loss of your Mom, a lovely person and a good neighbor. I have a lot of good memories from the past when I was growing up and your family comes to mind every now and then. Keep your best memories of her close and you'll find great comfort in that. Bless you all. Kay*

“ *To the Meinhold Family, As a teacher in Skaneateles I got to know several of you and your mother. She was a lovely, caring lady. I corresponded with Rob when he was in Vietnam and still have his letters. You all have my deepest sympathy. Helen Mahony*
