“ *Dad...you were the first man to have my heart and you will hold that piece for the rest of my life. My memories of you are endless and beautiful. I'm not sure how to get through life never hearing your voice but I know the choice is out of my hands. Your gone from this earth but you left behind a legacy of people who loved you more than words. Forever rest in peace Dad...your daughter Janine*

“ *My deepest sympathy to the Falcone family. My husband, father and brother were all working friends with Mike. Mike always stopped by our house when he was in the neighborhood for a visit and loved talking about his family to us. Mike called me when my husband Bill, passed away and offered to assist me if I needed anything. I will have found memories of Bill and Mike's friendship. God Bless the Falcone family during this difficult time.*

“ Mike,,, You've become a brother over the years, and have given us, many memories to share. Husband, father, friend and brother, for all of us there could be no other. At least I can say, through the tears, our family has had , forty eight years, of knowing and loving you.

I am so sorry for Patti and the kids. I tried to get there before he went to be with God. I will miss him and remember him with love but I'm still trying to forget a few things we did. Mike was a class act and a good friend, more than my brother-in-law.
