Mildred S. Schultz

Beloved Wife, Mother, Teacher, Friend

Mildred Schultz, aged 81, passed away at Matthew House on February 19, 2023 after a decade long and courageous struggle with dementia. Born in Watertown, New York, she was the daughter of Matthew and Mabel Fletcher. Mildred was an honor graduate of Carthage Central School in 1959, serving as a leader in a variety of campus clubs and activities. One of these clubs, The Future Teachers' Club, led to her acceptance at what was then Albany State Teachers' College, now SUNY Albany. As a member of the class of 1963, Mildred continued her involvement in school activities as class officer, organizer of Frosh Weekend, and member of Beta Zeta sorority. These activities led to her election to the "Who's Who" award in American Colleges and Universities.

After graduation, Mildred taught English at Lyons Central School from 1963 to 1965. She married her college sweetheart Daniel Schultz in February 1964, later moving to Auburn where Daniel worked as an instructor at Auburn Community College. Mildred gave birth to a daughter, Ardythe, in November 1966, and to a son, Daniel, a year later. In 1968, the family moved from Auburn to Skaneateles. Mildred returned to teaching in 1975 at Weedsport Central School, remaining until her retirement in 1999.

She remained as involved as in her own school years; serving as Yearbook Advisor, Cheerleader Advisor, and Advisor to the Class of 1982, with whom she developed a special rapport. As a token of her support, the Class dedicated its yearbook to her.

When her husband retired, the two traveled extensively, visiting Ireland, Italy, Spain, Portugal, and Hawaii.

Mildred is survived by her husband Daniel of 59 years, her daughter Ardythe and her husband William Andrews of Belmont, California; her son Daniel of Grimsby, Ontario, Canada; her brother Matthew Fletcher and his wife Janet of Cayuga, New York; her; and her cherished grandchildren: Charlotte and Harry Andrews, as well as Clark, Alastair, Colm, and Anwyn Schultz.

Mildred had a contagious smile and a positive impact on all who knew her. She leaves behind a legacy of unconditional love and dedication to her family and friends.

Her family would like to thank St. Joseph's Hospital, Matthew House and Hospice for their nurturing care and support.

A celebration of life is being planned and will be announced at a later date. Arrangements by B.L. Bush & Sons Funeral Home, Camillus.

In lieu of flowers, contributions can be made to the Weedsport Central School c/o Scholarship Fund, 2821 East Brutus Street, Weedsport, NY 13166, or to Hospice of CNY through their website at <https://www.hospicecny.org/giving-in-memory> in honor of the caregivers who supported her.

“ Mrs. Schultz was a great influence in me while attending Weedsport Central School (Class of '79). She was the epitome of what a teacher, mentor, and friend should be. She will be missed. God Bless. - Richard (Duke) Speed

“ It is a year today that my dear friend Millie physically left this world but her spirit remains with me and will forever. Millie and I met in college, then she became my sorority daughter, my roommate in the sorority house, and finally a bridesmaid in my wedding party. Though we never lived close enough to be neighbors, Bob and I visited Dan and Millie often over the years and they did the same with us. I feel blessed that, though Bob and Millie have left us, Dan and I are able to continue this friendship and have memories that lessen the pain of loss.

“ Dear Dan, Ardy and Daniel - So terribly sorry to learn of Millie's passing. She will forever be remembered for her energy, positiveness and love. I remember how much she loved parties. She always was the last to leave and seemed to have the most fun! Apologies for not being a better friend Dan. Hope you will forgive me! Love Carolyn

“ So sorry for your loss, Dan. When Millie came to Weedsport, I taught right across the hall from her. I have such fond memories of her in her classroom, the hallway and the faculty room. She brightened everyone with her smile and humor. The students at Weedsport were lucky to have her as their teacher. She touched so many lives! She will be missed!

“ *So many adjectives to describe Millie. She will always be remembered as a superior educator, fondly remembered by faculty, staff and students. All who were privileged to have known her will carry her in their hearts forever. My children were soooo fortunate to have had her as their English teacher. Lucky kids.*

“ *Just YESTERDAY I mentioned Millie's name to a friend! Told her about working with her at Weedsport. I was an aide two doors from her room. Got to spend time with her in the teacher's room loving her personality and laugh! Russ and I were always included in their get-togethers and having such great times. We even helped them move to their present home; only a 'stone's throw' from their home at that time! We are so sad, Dan. You were wonderful to her. Many thoughts are with you and your family. 💕💕*
