“ Lisa Our thoughts and paryers are with you, George, your father and all of the family at this time. We did not know mom well, but we surely enjoyed her company at various functions like your wedding, shower etc. She was a fine lady.

“ Dear Jack and Lisa, We are so very sorry to hear of Nancy's passing. I think we first met Nancy and you, Jack, when our cat decided that she preferred living with the Carter family. I'll never forget how, while scouring the neighborhood for our cat, Nancy invited me in and there she was -- our kitty -- sunning herself in your Florida room happy as could be. I knew at that moment that SHE had adopted YOU. I guess our busy household with a dog, a rabbit and two young sons was a bit much for her. She stayed with you for the rest of her days. You were wonderful neighbors, always ready with a smile and a friendly hello. Again, we are so very sorry -- Nancy will be sorely missed by all.
