“ Mary Anne ,

We wish to extend our heartfelt condolences to you and your brothers on the death of your mother. Nancy made the best apple pies.

Nancy also was very forgiving when our new puppy got away from me, bolted across the street and jumped on her wearing a white skirt.. No dirt, only water. That is what she said. She was a very good neighbor.

Sincerely,

Yvonne & Dave

“ It was with great sadness that we learned of Nancy's passing. She was the first neighbor we met on Gwen Circle when we moved there. A great sense of humor and a caring way, she was always sharing treats and laughter with us. The weekly Gwen Circle "wine time" was a time for establishing friendships with our neighbors on the circle and she looked forward to those times. She had many friends and was always meeting one or more of them for lunch. What a special person! Our sincere condolences to the family of this wonderful lady. Esther and Dean Chapman
