

Nancy Jean Leamy

November 7, 1955 - June 26, 2026

It is with profound sadness that we announce the passing of Nancy Jean Leamy on Friday, June 26, 2026, at the age of 70. She was a beloved part of the Marcellus community, where she faithfully served for 10 years at the village video store and later for 13 years at the local laundromat. She also worked in the Development Office at Syracuse University for many years. She will be remembered most for her extraordinary kindness, her quiet strength, and the countless ways she made life better for everyone around her.

Nancy was a joy to be around and had a way of making ordinary days feel special. She delighted in simple things like birds, lighthouses, and deer, and had a true gift for gardening. She noticed beauty in the world around her and added to it wherever she went.

Above all else, Nancy was a devoted mother and grandmother. Her family was her greatest treasure, and nothing brought her more happiness than spending time with those she loved. Her cherished granddaughters, Hannah and Gloria, were the light of her life.

Though our hearts are broken, we find comfort in knowing that the love she gave so freely will continue to live on in all who were blessed to know her.

She has been reunited with her mother, Lois Hartman; her father, Richard

Hartman; and her twin sister, Susan White.

She is survived by Edward Wilcox; her daughter, Christine Groesbeck (Adam); her son, Richard Wilcox; her granddaughters, Hannah and Gloria Groesbeck; her sister, Barbara Hartman; her brother-in-law, David White; her niece, Kayla White (Robert); her nephew, Scott Holzwarth (Tanya); and her extended family and many dear friends.

Family and friends are invited to gather for calling hours on Sunday, July 12, from 1:00 p.m. to 3:00 p.m. at B.L. Bush & Sons Funeral Home, 10 Genesee St., Camillus.

The family extends their heartfelt gratitude for the love, prayers, and support shown during this difficult time.

Please sign her guestbook at www.BLBUSH.com

“ I had the pleasure of working with Nancy at the Development Office at Syracuse University a number of years ago. She was pretty, down to earth, always willing to help and certainly a free spirit! Over the years myself and a number of former colleagues wondered "What happened to Nancy" and sadly we now know!!!

My condolences to her family and friends!!!
