“ Dot was a "SUPER" woman! She loved her children with all of her heart and soul. She was a wonderful person with many of her own opinions. When she took you into her heart, you were there forever. She was more than a mother-in-law to me. She was my mother. I enjoyed talking to her about the boys.

I am going to miss her more than words can say. I learned so much from her and she is in my heart forever.

“ Dottie was always a PISTOL, a force to be reckoned with, and I loved her since the day I met her. If it wasn't for her, my Dad would NEVER have let me keep that two piece bathing suit! You always knew where you stood with her, she called a spade a spade, and taught me a lot at age 16-the important stuff-make-up, clothes, and hair!!!

To Ed, Brian, Eric and families my deepest condolences and a big hug. I will remember her always, and our secrets at the Octogon House.
