“ *I knew Nicky through his dad and always enjoyed the time on the golf course, and the conversations we all had at the shop. They were a lot alike, so some of their discussions were spirited and hilarious. I'm missing them both, they were among the good guys. God bless.*

“ I'm so sorry for your (our) loss. Nick was a good friend he meant a lot to me. When I came back to Syracuse I always tried to see him. I always enjoyed golfing with him. One of the few friends I kept from grade school. I will surely miss him. I am truly regretful that I cannot make it back to the service's and give my support to his family and friends. I have a ton good memories of Nick and I will never forget him. Again I am so sorry.

“ I had only met Nick a few times but he was sweet, polite and just seemed like one of those people that were deep down good. I am very saddened by his passing and can't imagine the pain of his family and friends right now. Please know that in terms of his job, he was considered one of the best. He touched many people in a very positive way and we were proud to be associated with him.
