“ I am sorry to see that Pat has passed on, we bowled together and against each other, she was a great competitor, gracious in winning and defeat. She also taught me how to drive a school bus for WG, sending prayers to the family.
God Speed Pat.

“ Patricia and I were Facebook friends - met on Facebook and have been talking for 4+ years...funny how you can get to know someone enjoy conversation and talk to one another about serious issues too....I missed seeing her on line...sad she passed away but she was a very special person, kind and loved her family and her pets! Patricia you will surely be missed! To your family, may the beautiful memories you shared with your mom and grandmother bring your comfort in years to come.
