“ Although I have not known Patrick for any long length of time I have however had the great opportunity to meet him his last visit home. Through the hours we spent together I gained a sense of passion that he had towards life and I would also have to add real estate. I remember sitting at the table with Patrick exchanging views on real estate and how different they were in California versus Syracuse. I was so inspired by his enthusiasm for California I almost packed up and moved there; unfortunately I have opted to enjoy the snow in Syracuse. I will keep the family and friends of Patrick Daniel Rich in my thoughts and prayers as they travel through this journey in life. There will be a day that we will all meet Patrick Daniel Rich again, until them we will share in the memories of him.

“ I had the pleasure of meeting Patrick in the Fall of 2003 at Notre Dame de Namur University. I was fortunate to have Patrick as a team member in my Marketing class and his great enthusiasm and passion for our project exuded in his work. Although I knew him briefly, he was truly a remarkable person and I will always remember his wonderful smile and abundance of energy. I feel blessed to have known Patrick and the Notre Dame community will miss him dearly. My thoughts and prayers are with his family and friends. God bless you.
