“ I'm sorry for your loss and that I was not brought up knowing all my aunts and uncles on my dad side of the family. I do remember meeting Aunt Pearl when I was very young and still remember how nice she was. Mel Austin's daughter

“ Pearl: Although I have only seen you a few times over the years, it was wonderful to talk with you over old times. Seeing you, brought up so much of the good things enjoyed by us all as a family. You are now with God and really enjoying the 'good life' with no pain. You will be missed by us all. Normie, Ray, Jay, Mike & Dickie: Sorry about your mother's passing...most of the family was on vacation and we did not know. We would have been at the wake to give you all support if we had known. We know how much you loved your Mother and how deeply you will miss her. God Bless.
