“ Erin and Mike, We all know this has been a tough many months, but you two never gave in. You showed Phyllis how much she meant to you both by moving her down with you. She was lucky to have that. Grayson really made her light up and often made her forget about her own trials. We know she will be truly missed by everyone. All our love, sympathy and support, Mom, Katy, Maggie and Liz (and Chloe)

“ I am so sorry to hear of your loss. I knew Phyllis through the Park Hill pre-K program. I took our granddaughter to the program. She started as a 1-year-old and is now 5. She had some special needs, and Phyllis was so helpful, compassionate and loving towards her . . . as she was with all the children. Abby especially liked when she read the stories. I appreciated her so much and know that she will be greatly missed. I feel blessed having known her.
