“ I met Phyllis on the Senior Bingo bus in Camillus. She always had a smile and kind word for everyone. She was a wonderful person and will be missed. "Phyllis" make sure you look up all the bingo gang, when you get to heaven. There's quite a few there with open arms for you.....

“ My mom (Kay Clark) lived next door to Phyllis and when we visited from out of state, my young boys always loved to stop over to see Phyllis. She often would let the boys “go shopping” in her well stocked basement and never failed to offer me a cold one. My condolences to the family, and I just wanted you to know how many smiles she put on our faces. Dan Clark (Iowa)

“ *Very sorry to June Bill, and Bob and families.*

Phyllis was always our neighbor accross the street. She and Bob were great neighbor's and friend to my mom and dad, through the years.

Later years always checking in on my mom, which we are grateful for. Always remember the Christmas Eve get togethers and having us over. Rest in peace, I'm sure you are with Bob who was waiting for you!

“ I sure am going to miss hearing updates from June when she shares stories of times spent caring for and being a perfect and loving daughter to her mom. We still have her memories to live on in our hearts and stories of the times spent together as keepsakes. Sending sincere sympathy to all of those Phyllis loved so very much. I'm honored to have met Phyllis and have the gift of friendship from her daughter June.
