“ The Totman family, formerly of Phelps, will miss Eli very much. He was always there for us when I was growing up. I remember wonderful times at church and at Casowasco. Eli returned to Phelps to do my mother's funeral in 1982 and again in 1989 for my dad's funeral. So glad that I was able to reach him by phone last fall as it was good to be in touch. The memorial service was very lovely and I am sooo pleased that I was able to attend and see The Church of The Bells. May God bless you all.

“ Eli's family will always be grateful to Brian Bush for assisting us during this difficult time. Brian was a wonderful help, taking on a multitude of tasks behind the scenes, giving us time to grieve and collect our thoughts and plans for the Service, and then working with our ideas to ensure that the Service and all details were handled as Eli would have wanted. We sincerely appreciate all of Brian's efforts and kindnesses. With deepest appreciation, Bea, Merrilee, Nancy, Bradd, Diane, and Bonnie

“ *My family has so many wonderful memories of Eli. From helping build the Church of the Bells, singing and preaching on Sundays, canaries singing too, plus his love of what he was doing and the people in the congregation and the community - not to mention SU sports. It seemed he would be around forever. He performed at my wedding, and at family funerals. We all loved him and will miss him. Condolences to the family.*

“ A lot of fond memories of Eli at the Church of the Bells. I was Chief of Police in Camillus and retired in 1993 after 26 1/2 years with the Police Department. Had many occasions to work with Eli on several very important cases in our community, his advise was always sought and always helpful. He will be Missed by so many. “ To the family of Eli.. When I heard tha Eli had died, it brought back to mind many fond memories. It was from Eli that I first heard the phrase, "I will make you fishers of men". It was Eli that taught me the fine points of badminton. It was Eli that asked me to be an usher at the dome. It was Eli that gave our church in Auburn the seed money that enabled us to begin the repainting of our sanctuary. It was from Eli that I first fully understood what it meant to be a "happy" christian. I am saddened at his passing and know that heaven is a happier place today. God Speed!

“ I knew Rev. Whitney from the time I was maybe, 3 years old. I am now 39. He, along with my Grandparents Cloyce and Conni Hankinson, built the church of the bells which I dearly loved! He helped me with my confirmation, he enjoyed bell choir as much as we did! I enjoyed going to church because he was there and I know that my Grandparents did too! I will never forget how much he looked forward to my Grandmother's fudge every Christmas season. He married my Mother too! I have so many fond memories of him I could go on and on forever! My Mom and I were laughing saying that Eli and Gramps are probably yucking it up in heaven. I feel as though I have another guardian angel now! He was a wonderful person and I will never, ever forget him!

“ Dear Bea, I am sending my sympathy to you. Eli was a wonderful person. He would often break into singing in the middle of his sermon. He provided us such good examples to live by in his love for Jesus. He was our minister at Camillus First United Methodist Church in the early 1960's. I was always happy to see you two when you would visit Camillus First. Blessings to you. Betty VanGelder

“ We have many fond memories of Uncle Eli - in particular his unabashed love for Jesus Christ, his collection of Christ paintings, his singing every morning, his mowing (while singing) the long pathway to Rich and Callah's (Grandpa and Grandma's) camp on Sandy Pond. We look forward to seeing him again in eternity!

“ To Bea and the family of Eli Whitney: I was saddened to read of the passing of Eli. He will be greatly missed. However, he leaves behind a list of people whose lives he has touched that is immeasurable. I know what an influence and how big of a part of our families lives Eli was. I always looked forward to listening to Eli's sermons while attending the "Church of the Bells" that he was so proud of. While growing up I also had the pleasure of spending many summers under the guidance of great counselors such as Eli, Al Gribble and Royce Newell at Camp Casowasco. What memories we made! Eli was such a reinforcing personality, it was impossible but to smile when in his presence. I will always remember his laugh! Yes, Eli will surely be missed, as he was a huge influence in my formative years. I am very sorry for your loss.

“ Dear Aunt Bea, We pray the Lord's strength and comfort for you and the family. Uncle Len touched so many lives through his exuberant witness of his love for our Lord Jesus Christ. How touched we were to have him come to surprise us with the renewal of our wedding vows at our 25th. Ken remembers his joy at performing your wedding vows in front of a surprised congregation. So many wonderful memories.... We will miss him. Love from Ken and Liz Borchers

“ My sincerest sympathies to Eli's family. There are many fond memories of Eli: One in particular is helping him work on the 'new' Phelps library on the S.W. corner of Main St. and Church St. in the summer of (approx.) 1960 when I was a teenager. We hung and wired the overhead lighting and other tasks. As a youth in the Phelps Methodist church I saw him only as a minister before that. Working in the library with Eli, along with examples of my own family and other community leaders volunteering, opened my eyes to see that being involved in one's community can take many forms of service, not just the obvious roles due to one's occupation. Thank you Eli.

“ *To the Whitney family: I just learned of Eli's passing when talking to my sister Nancy and Mother Estelle Hauge yesterday. It's hard to believe that he's gone. I guess I just figured he's be around forever! He was my Dad's best friend since Central High days back in the '30's, and through the College of Forestry and on until Dad died several years ago at Loretto Rest. Eli came up there to comfort all of us, and his presence there really helped us through our initial grief. I hope this message will do the same for you folks, too. I had lots of great memories of Eli myself, including seeing him at every home football game and basketball game at SU. He was always in a great mood, and that got me into one as well! I hope he and Dad are now reunited and enjoying each other's company forever! GO ORANGE!*
