ME

“ He was my dad, even though we never grow up calling him dad. But he always knew that he was my dad. He was always there for me and the rest of us kids whenever we needed him. Ready with a smile , a laugh, whatever we needed at that time. He always told us the truth, told us like it was, he didnt care if we liked it or not. But thats whats dads do. I will love you forever dad.

“ Richard is my Father, I know his passing will have an effect on the family and friends, He will be missed. We all can rest knowing that he maintained a great relationship with his children and grandchildren, as he spoke of us often and it was apparent that he truly loved us all. My deepest sympathy goes out to Sharon.

“ Stacia and I send our deepest sympathies... What can I say about Uncle Dick? He had a great sense of humor... one of my clearest memories of him is his laugh, and the mischief that always seemed to sparkle in his eyes. He taught me to shoot. He gave me my first (terrifying) ride on a motorcycle. He was my Dad's only brother...

“ I lost my father so many years ago, and Richard was like a father to me. He was always there when i needed him, and at times when i didn't. He was always a very funny man and always trying to stay out of "trouble" , not that it worked out very well. He was always horsing around with the kids , and getting into trouble, getting me out of tight spots .He will be missed by so maney people, he was loved by so maney people. Matthew is so much like him , "GOD help me", but if turns out to be half the man that his dad was, I think that i will be the luckest girl in the world.

“ Richard Eckert was a great man. I never saw him frown. I always saw a smile and when I always saw Richard smile it made me smile to. Richard was my grandfather and one of the great ones to. He always made me laugh even if he had to smile and tickle me. I will always miss him and his smile too. I loved him with all my heat and I would like to thank him for teaching me how to shoot.

“ Richard Eckert was my grandfather, and one of the greatest too. No matter what happen, where he was, he always had a smile on his face which I admire so much. Grandpa loved his rifles, and because of him so do I. When was the pit boss at the rifle range, whenever i saw him, every chance he took he would tease me which always put a smile to mine and his face. Although he may not be here in the physical form he will always be here in our hearts. I will miss him, and love him forever. The man who never frowned, my grandfather!
