“ *Susie, Sally and Ginny,*

While it has been many decades, we all have many memories of visits and play and the sound of laughter carrying down Huckleberry Lane and Velasko Road and a few fun weekends in the Adirondacks. Jane, Martha, Bill and Bob: parents updating one another in person and on the phone about the most recent escapade one or several of the boys had just added to a longer list of antics. Our two weeks away at Camp Nazareth with Robin one summer in the mid-1960's was probably one of the most relaxing times our parents had during their entire child-raising years. Many good memories and our thoughts are with you at this time.

“ Bob and I met through the Teen Challenge program almost 50 years ago. He was such a hard worker. I still remember him splitting firewood with an axe. He also attended Bible school where I graduated from in Dallas TX. Bob was a sincere person and he will be greatly missed. His plumbing skills bailed us out on a number of occasions over the years.
