“ We loved to see Bob come to our condo when we had a problem. We knew he could fix almost anything and if he couldn't nobody else could. He always wore a wide smile and had a good clean joke to tell.

We only saw him a few times but he left a lasting memory. We send our deepest and heartfelt condolences to all who loved him.

“ He has been a neighbor of ours my whole life. Although I have never gotten to know Bob personally , I have always known his family. Renee, his daughter in law works for me ,I have recently had the pleasure of having his son Tey do an odd job or two for me. I hear he has learned many of his talents from his dad. That says a lot as far as I'm concerned . bob was there for his wife and children . My deepest condolences to a family whose love of their life was taken much too soon without much notice. RIP Bob.

“ My sympathy and warmest thoughts to you all. We've known Bob since 1999 when Mark suggested we hire him for some repair work on our home. He became like family over the years as he was our go-to-guy for pretty much everything! He had the kindest soul, warmest smile and heart of gold. We all grew to love him dearly. He will be greatly missed.

“ I am so incredibly for your loss. I met Bob only a few times but the warmth and love glowed from him. His daughter Michelle is my dear friend and I know she is a chip off the block, she doesn't know a stranger, only a new friend. Much like her dad.
