“ Aunt Judy, Our sincere condolences are expressed to your family. Uncle Bobby was a great man and his presence was thoroughly enjoyed when he came into town. My Mother Gail loved him so much and very fond of him as you know and that was passed down to me. I will miss him. Love always, Eric jones and family.

“ Judy, Our condolences to you and the family on your loss. Only in Bobby's passing did I realize how much we interacted in the early years from grade school, high school, working together in NYC, playing on the same softball teams, and the mutual interests we had including 'archery'. I only wish that we had reconnected sooner than we did in 2004, and lived closer than we did. In his passing we all have lost a real great guy, he was a true friend.

“ Dear Great-Aunt Judy, My ladies and I were very sorry to hear that Great-Uncle Bobby passed. They still remember him, though they were small the few times that they met him. I was fond of him, and I remember how Nana lit up when he was around. You're in our thoughts.

“ Judy & Family, We were saddened to see Bob's obituary in today's paper. We have a lot of fond memories of Stonehedge Rd. Bob was my mentor for many years. We depended on his knowledge and expertise. Many times, Bob would get me out of some binds. There are still times his lessons help us out. You are all in our prayers. Take care..... Tom & Pat
