“ Working with Bob and doing outings with Bob was such a pleasure he was such a pleasant person always very helpful. He will always be remembered as Mac the man.

“ RIP Bobby Mac...your life forever changed those that were blessed to be around you. I will never forget the first day of my career, back in 1988, when I met you and you welcomed me with a little gentle snicker. You never once forgot my name for the next 28 years, when our paths would cross again. Run free my friend.
