“ *So sorry for your loss. I think Bob was everyone’s favorite bus driver in Camillus. He certainly was mine. His kind, gentle demeanor were just a few of the qualities I won’t forget. I had the privilege to care for him in the hospital many years later and wasn’t surprised to see that he was the same man I remembered all those years before. Bob was so popular another coworker recognized him and said “your pt was my favorite bus driver growing up.”*

“ *I am saddened to hear of Bob’s passing. I fondly remember him being gracious and giving me a ride around on the mule as well as getting together with him and Grace. I also remember all our breakfast’s at Denny’s in Camillus. He was a great man I I enjoyed being part of his life all those years. May his memory be eternal.*

“ *Very sorry to hear of Bob's passing. Bob was a bus driver for my children and about the nicest guy I ever met. He always had a calm and friendly approach with the kids and I am sure there are many adults out there who remember him fondly. I know I sure do! Prayers to your family!*
