“ I just came across this 3 years too late. So sorry to read this. The Wademans were favorite friends of mine growing up. I still think about them often.

“ Sorry for the loss of your father. He was such a wonderful man and we are so blessed to have known him. We will always remember going over to greene point to say hi and Bob would be out doing his crosswords. One memory comes to mind one day we stopped over to say hi and I brought a small box of crayons that i had found. I told Bob i brought these for you . He looks at me and say why? Well I explained i know you have a black and whiite tv and i thought i would give you a colored tv. He smiled and just laughed. He will be missed by many. Thoughts and prayers are with you all. warmly Bob and Colleen Stanley
