Please sign his guestbook at www.BLBU SH.com Link to Robert's Remembrance Video THE REUNION HEART Since Heaven has become your home I sometimes feel I'm so alone; and through we now are far apart you hold a big piece of my heart. I never knew how much I'd grieve when it was time for you to leave, or just how much my heart would ache from the one fragment you would take. God lets this tender hole remain reminding me we'll meet again, and one day all the pain will cease when He restores this missing piece "Your life was a blessing, your memory a treasure. You are loved beyond words and missed beyond measure"

"Then I lost it all. I'm dead and broken, my back's against the wall. Cut me open I'm just trying to breathe, just trying to figure it out because I built these walls to watch them crumbling down. I said, then I lost it all and who can save me now?" ~Lost it All, BVB

“ Tammy & Family, I'm very sorry over the loss of your Father. May you all take comfort in knowing that he is no longer in pain and that he will always be with you in spirit and watching over you as your guardian angel. The video was touching and truly shows his personality and what was important in his life, which were his children and grandchildren. My thoughts are with you as you go through this difficult time. As stated before, please let me know if there is anything I can do.

“ Patti and family - what can I say? We were SO sorry to hear the news. And we are sorrier still that we cannot be there with you. I know Lin and George and Mom and Dad will be and are always there for you, probably more than you want, sometimes! If you want to get away, you are always welcome here. Angelo, Ryan, Melissa and I love you, think about you every day and are praying for you and yours.

“ well i will try to be sure that this is the same bobbie westman that i knew when i was a toddler. my parents and i lived at the airbase in mattydale. bobbie liked to bite. he use to always be biting my arm. so when day when he was coming down the walkway my mom thought she would get back at him and put her foot out and he tripped, fell and started to cry. his mom came out the door and wanted to know what happened. my mom said, i guess he fell. my mom always told the same story about him. my mom passed away in 2001. loved the video. that is what life is about, making great memories. bless you all.
