“ The year was 1977 and as chair of the Camillus Democratic Committee, I asked Ron to run for 1st Ward Councilman. He did and ran a credible race though not winning. I applaud anyone willing to run for public office. He did and I will always be grateful. To Sue and family my deep sympathy on the passing of Ron; a great guy. Kay Benedict Sgarlata

“ Dear Dad, Sometimes people give up too easily. They lose sight of what really matters and they let their pride get in the way of what's important: Love. I say this because I think I gave up too easy once. If there is one thing all your children received from you it's your stubbornness. Through the years we have all bickered over the "little" things. Your passing has made me realize just short life is. I will not let these "little" things come between us kids ever again. They say everything happens for a reason. Nothing can justify you being taken from us. I was not ready for you to go. I love you daddy, Brenzie

“ My thoughts and prayers go out to Sue and the family. I knew Ron and Sue in High School, and I bought one of my favorite cars from Ron, a 1957 Chevy, Bel Air, 2 door. Rest in peace. You'll be cruisin in heaven now.

“ Growing up as your neighbor was pretty cool. As a child, I most remember that you always had great cars! When I got older, I became your kids babysitter, then your employee at the gas station, then just your buddy. You were one hell of a guy Ron, and I'll never forget the crazy times we had at the "Arco"! They gave us funny stories to tell for 30 years! Always loved ya! Marcia
