

Ruby Adams

May 13, 1940 - February 8, 2024

Ruby Adams, 83, of Camillus, passed away peacefully on February 8 after daily visits from her family during a brief hospital & care stay. She was an unforgettable woman who often sparkled: an artist, a true creative who loved cooking, caring, and crafting for family and friends near and far, old, young, and all in between.

Ruby was born in Trinidad on May 13, 1940, and graduated from St. Joseph's Convent, Port of Spain. She taught Spanish and, as a young woman, was employed for a few years in financial services. Ruby met her husband Ray, a U.S. Marine stationed there in 1964, and they were married in 1966 in Syracuse. Later, she was a special education teaching assistant in Syracuse for many years. She also took joy in instructing vegetarian cooking at Onondaga Community College. She shared her homeland's culture of Carnival with Syracuse students and residents. With Ray, Ruby taught summer Bible camp at Elmwood Presbyterian and other churches, instructed conversational English at Syracuse University, and volunteered at the Camillus Erie Canal.

She was predeceased by her parents, Evans and Margaret Raghunanan, and her brother Edward. Ruby is survived by her loving husband, Ray, of nearly fifty-eight years; her sons Mark, Michael, and Matthew; her daughters-in-law Kumiko and Simone; her grandchildren Noah and Sophia; her brothers Roy

and Steve; her sister Vicenta Sartor, and many in-laws, cousins, nieces, and nephews.

Calling hours will be from 10 AM to Noon on Saturday, February 17, followed by a memorial service at noon at the B.L. Bush & Sons Funeral Home, 10 Genesee Street, Camillus. Burial will be in Onondaga County Veteran's Memorial Cemetery.

Donations in her memory may be made to the Rescue Mission Alliance of Syracuse, NY (155 Gifford Street, Syracuse, NY 13202).

Please sign her guestbook at www.BLBUSH.com

“ *The Adams family is in my thoughts and prayers. I'm very glad I had a phone conversation with Ruby last year to let her know I loved her and how much her artwork inspired me as a child when I visited with my parents, Fred and Charlotte Waynai. Ruby was a very sweet woman and very talented in many ways. Writing inspirational thoughts on greeting cards were very much respected throughout her years as a family member. Cousin Judy and daughters Lauren and Lindsay.*

“ My deepest sympathy to the families I remember Ruby as this vibrant, whirling dervish who enjoyed life. She was creative, funny and a good person. She always made me feel as though I was part of the family and would cook my favourite dish, chow mein. There are so many memories however One of my fondest memories is running through New York to find material, tulle and everything you needed for her sister's wedding dress.

*Rest in Peace Ruby your memories will be forever

“ Sending our deepest condolences to all of the family. I smile when think of Auntie Ruby, her smile and laugh was infectious. I am grateful for having met her through her sister Vincenta. Years ago a group of us ended up on Ruby's doorstep in the middle of the night because of a fire at a hotel we were staying at for a dance competition. Out of nowhere Ruby appeared with more blankets than one could have imagined. We were all wrapped in the love Ruby had for helping others that night. To this day I have a 'Ruby' reserve of blankets. Rest in Peace. Sending love and prayers.

“ Ray and family,
I am so very sorry to hear of Ruby's passing. She was a joy to everyone who ever was in her presence. I was extremely fortunate enough to meet Ruby when she came to work at Levy Middle School. She brought a burst of new energy and sunshine . There was never a dull day. She always made you want to come to work to see what she had to offer. One day it may be flowers from her garden. It could be tropical fruits that she wanted the students to try for the first time. Sometimes she would make a special dish to share in the teacher's room.
Ruby enjoyed sharing anything and everything about her life. She loved talking about Trinidad. When we had International Day at school Ruby was in her glory. She loved to get the students involved. She could sometimes get the shyest students to dance and sing,
Ruby's family meant the world to her. She would beam from ear to ear when she shared what they were doing.
I feel so very sorry that we hadn't kept in touch . She will always have a place in my heart . She has NEVER been forgotten

Sincerely with much love,
Alice Smith

“ *My deepest condolences to all of you. Ruby was an exceptional women, a loving wife, mother, grandmother, sister and friend. May the memories you hold dear and the stories you hear sustain you during these coming days.*

I met Ruby through her beautiful sister Vi. Ruby exuded love, joy and acceptance of everyone: you always felt good in her presence. I didn't realize when I first met Ruby that she would be my " Angel" during my darkest moments. When I was feeling so low and unsure how to move forward.. the phone would ring and it was Ruby or a letter would arrive in the most exquisitely adorned envelope (I still have them and will treasure them always). Ruby was always able to talk me through it, we had the deepest and most meaningful conversations. Not only did I get to know her on a deep level, she shared her love of her husband , sons and grandchildren with me, I felt like I knew all of you. She loved you all so deeply, and was so grateful for you.

She was truly my rock during that difficult time. I loved her sense of wonder, joy and belief that no matter how dark it may seem at the moment the light will shine again. She helped restore my faith and I am forever grateful for that.

Thank you for sharing Ruby with me, I loved her with all my heart!

Soar with the Angels my friend,

Caren

“ Sending love and prayers, Ruby or as we called her Auntie Ruby was a per joy to be around. She was always smiling and I remember she always smelled so pretty. She was bold in her colours and her dress and she never forgot her roots. She was at my dad’s once for a BBQ around her birthday and the card she sent my dad thanking them for the cake was beyond beautiful. I will miss Auntie Ruby and the way she would say hi Liz sweetie!!! May she be at rest with her sting faith and cooking and dancing with Jesus. To all the angles in heaven hang on to your wings you are about to be wowed by a very special lady . Fly high Auntie Ruby we love you

“ So very sorry for your loss. When our family met V, Edi and the children in 1996, little did we know what a lifelong friendship it would be. Our children have grown up with auntie Ruby in their lives. Her visits were epic. Her personality larger than life and her Monkey bread delicious. When V and I visited New York for a weekend, we stayed with Michael in his studio apartment and had the best time ever! We toured all day, went to a Broadway show and when we got home, Ruby had dinner ready for us. Rock Cornish hens baked to perfection with all the trimmings. I was a mother with 3 small children on the cusp
Of returning to work. She realized how tired we were and ran a nice bubble bath for me before bed. I will never forget this. Ever. What a wonderful person and such a lovely family. Michael gave up his bed for me that night. Our family is truly blessed to have met the Sartors and through them Ruby and her family. God bless. Rest in Peace Mary and Bill Gibson and family.
