“ Sally will be missed. She was a wonderful sister-in-law and a great aunt. I always knew where I stood with Sally -- she spoke her mind. For that reason, it was always a joy to spend time with her. She was optimistic and generally looked to the positive. It comes as no surprise that she bravely fought her illnesses. Sally will never be forgotten. I look forward to seeing her again in Heaven.

“ When Sally lived in California, we were her "West Coast" family. She began as an employee, but became one of our most treasured friends. Years later when we retired, she moved back to Jordan. We missed her greatly, but our friendship continued to flourish. We talked frequently, and on the morning of each of our birthdays, we could always count on hearing a chorus of "Happy Birthday" sung long distance. Her move to Jordan proved to be exactly the right thing for her. She spent the remainder of her years surrounded by her loving family and friends. We thank God for that and for the privilege of knowing and loving one of his very best. Rest well dear friend. We'll always love you.
