“ Sincerest thoughts going to Rob and family. Remembering all the times she talked about you. Her easy-going style and her wonderful friendly way she spoke with everyone she worked with. I didn't know her outside of National Grid, but I sure did enjoy the friendship we had there. A truly beautiful soul.

Rob and family, so sorry to hear of Sharon's passing, she had suffered enough. Her family meant everything to her, she loved life, her friends, dancing, and always had a kind word for everybody she came into contact with, I enjoyed the time we all lived in the apts and you were the life guard, just sitting around the pool talking. She will be truly be missed.
