“ Mike, John, Becky, Sue, I am very sorry to hear of your mom's passing. She was a precious spirit, very caring. She was like my late mom, as was Frank much like my late dad. Dad was gruff and mom was an angel. I remember when your mom heard I was interested in tennis after I came back from the Navy. She took me out several times to get me started. She just saw a place where she could help and did it. It sounds simple, and it was. But also very special, because while we all meet people like this, there are never enough of them!! In the days that follow, as you think of her, know that my thoughts and prayers are with you.

“ *To John, Mick, Becky, and Suzie, my deepest sympathies to all of you. I loved your Mom, such a great lady. Shelia was probably the most even disposition person I have ever met, always fun to be around such a great sense of humor. What I remember most about your Mom is how she was so completely non judgmental towards others which in my mind puts you as close to being a perfect human being as is possible. I hope that your sorrow at losing her is in some way mitigated by knowing that she is so fondly remembered by all your friends. Bill and Tammy Daws and family*
