“ *Cheryl, Chuck, and Harold your mom was a truly WONDERFUL person with Great compassion and understanding. The breakfast club she was instrumental in assembling after ny mom passed gave me comfort and a place to share memories, food , or just good conversation whenever I was in town. She was unique in her abilities. She will be dearly missed.*

“ I had the privilege of meeting Shirley a couple of times but she was an amazing person and I felt like I knew her forever. I am very blessed I was able to meet her. She is in good hands now and someday we will meet again.

“ Shirley was not only a member of our family, as my sister's MIL, but was one of my first coworkers many years ago at Sears!! She was very hardworking and I really looked up to her as I didn't know many women back then who were Moms and worked, let alone managed a huge portion of the store! I always loved her humour, her smiles and her great love for her family!! She will be missed!!

“ Our condolences to the entire extended Ridler family. Having been a part of that extended family for over 50 years, we are deeply saddened by Mrs. R's passing. Shirley and Harold were our children's 3rd set of grandparents and their trip to Scottsdale Arizona to visit us in the late 1990's will always be remembered. May their light forever glow. Love, Dan Bobbie Danielle Joe & Jason (and our extended family).
