“ Dear Tony, Denise & family, I just learned of Susan's passing, and I'm so very sorry I won't be able to attend the Mass at St. Joseph's tomorrow morning. I normally sing with choir for the Funeral Masses there. This would have been a very important Mass for me, but since I'm still working, I have an obligation to my HAZMAT team at Lockheed Martin. We have a CSR drill at that same time tomorrow morning. My sincere apologies. Tony, it's been quite while, so I'm not sure if you will remember me, but we worked together at GE Field Programs in Court Street years ago. It's been a long time, but I've always remembered you as an exceptional person and a good friend from those days. I am so sorry for your loss. God Bless you and your family, Gerry DeMoors
