“ Sue, I'm going to miss you a lot. I was so sorry to hear of your passing. Unfortunately I was out of town at the time of your funeral or I would have been there. You were a sweet, sweet person and I will miss your smiling face. I know your life was sometimes very difficult but you made it through to a better place. God Bless You, Sue. Linda

“ I have nothing but fond memories of Sue and I as teenagers, listening to the Beatles and Three Dog Night. Sue was always a sensitive young woman, with a radiant smile and a kind word for everyone she knew. Life wasn't always easy for her, but she met her challenges with courage and a quiet dignity. My deepest sympathy to her son, brother, family, and friends.

“ It's always difficult to find we've lost another classmate from CSCS and Sue is no exception. A childhood friend from Brewerton; she was always friendly and cheerful. Losing touch over the years doesn't soften the loss of a friend. She was incredibly special.
