“ I am so saddened to read of Sue's passing. I shared my first apartment with Sue and worked with her at Grossman's, back when it was in Camillus Mall....so many fun memories of being young , independent women , spreading our wings and discovering ourselves. Sue was always calm and wise, warm and kind...with a smile so big and warm that always let you know she was happy to see you...no matter how many years had passed. My heart goes out to her family. She will be remembered.
